COVID-19 INFORMATION

The Office of Sponsored Projects has produced a COVID-19 FAQ that addresses issues relating to grants and contracts.

Dr. Jaffe issued a memo to Principal Investigators that details policies and procedures in response to the COVID-19 situation. As Dr. Jaffe indicates, events are evolving each day and policies may change. As a researcher, it is your responsibility to check the VPR FAQ site regularly and comply with University policy. At this time, the College of Pharmacy is not instituting any stricter guidance on top of the VPR policy.
