

Hey PARENTS!

The UT LLAMA lab and
ChiLDS lab are inviting
you to participate in an
online study that
examines practices of
informal translation in
childhood - typically for a
family member - and the
COVID-19 pandemic.

Participate in an online study!

- We have an engaging new study for parents and children (ages 12–18) who both speak multiple languages (English and Spanish)
- Families will receive a **gift card** as a thank you for participating!

Interested?
