Outside Employment Activities of CPFM Employees

If you have a job in addition to the one at CPFM, you are required to complete the Outside Employment form and submit it to your supervisor. The form will be forwarded to the Director’s Office. A copy will be sent back to your section after it is signed. Outside employment in another agency of the State of Texas or the Federal government, or as a consultant, requires additional approval per The University of Texas Handbook of Operating Procedures, 9.91.
