Volunteer Opportunity!

Front Steps, managing nonprofit organization of the Austin Resource Center for the Homeless (ARCH), is thrilled to announce that HACA’s Section 8 Program waitlist opens on Wednesday!

**What?**
HACA (Housing Authority of the City of Austin) is opening its Section 8 Program waitlist to obtain a Housing Choice Voucher.

**What does this mean?**
ARCH clients must apply online to get on the waitlist.

**When?**
Wednesday, 10/22-Wednesday, 10/29

**Where?**
ARCH Computer Lab
500 E. 7th Street Austin, TX 78701

**Why do we need your help?**
This is an incredibly important time for our clients, and the sign-up only takes place online. We need volunteers to “staff” our computer lab and help provide any computer assistance to our clients from 10/22-10/29. Our computer lab runs solely on the support of volunteers. If we do not have a volunteer to be in the lab, it cannot be open to clients.

**PLEASE HELP US FILL THOSE VOLUNTEER SHIFTS!**
Listed below are all of the available ARCH computer lab shifts. You do not have to be a computer wizard to help! We just need the lab open as much as possible to ensure that clients have plenty of opportunity to apply.

Take a look at the list of available shifts. Share it with your family, friends, church, etc. To sign-up for a shift, please email Hannah Ford at hford@frontsteps.org. You must be 18 years or older. Thanks so much!
