Spring 2018 General Upper-Division Electives

Listed are some departments that have unrestricted courses with minimal prerequisites, however some classes may be restricted to certain majors throughout the registration process or have additional prerequisites- see course schedule and contact the department offering the class for more details (click ‘see department headnote’ on course schedule for the department’s contact information). This is a starting place only and is NOT a full list of all available upper-division electives.

**It is your responsibility to double check the course schedule to confirm flags, prerequisites, and restrictions.
