“It’s my goal to transition Toyota from an automobile company to a mobility company, and the possibilities of what we can build, in my mind, are endless.

I am determined to create new ways to move and connect our customers across the country, across town, or just across the room.”

Akio Toyoda
“Trying to predict the future is like trying to drive down a country road at night with no lights while looking out the back window.”

Peter Drucker, American Management Consultant
