Bibliography of Publications That Used Data from the High School and Beyond (HS&B) Longitudinal Survey (1980-1992) and Midlife Follow-up (2014-2015)

Prepared by Elizabeth Johnson
Population Research Center
University of Texas at Austin

September 27, 2021
Please note: This bibliography was initially created in 2012 as a part of the feasibility Grant G-B2011-53 (Feasibility Study of an HS&B Follow-up) from the Alfred P. Sloan Foundation. Subsequently, it has been updated with support from Grant G-2012-10-27 (High School and Beyond: Human Capital over the Life Cycle as a Foundation for Working Longer) from the Alfred P. Sloan Foundation as well as these additional funders: the National Science Foundation under grant numbers HRD 1348527, HRD 1348557, DRL 1420691, DRL 1420330, and DRL 1420572, the Institute for Education Sciences of the U.S. Department of Education under grant numbers R305U140001 and R305U180002, the Spencer Foundation under grant numbers 201500075 and 20160116, and the National Institute on Aging, under award R01AG058719-01A1. This work was also supported by the Eunice Kennedy Shriver National Institute of Child Health and Human Development under grants numbers P2CHD042849, P2C HD041023, P2C HD047873, and S T32 HD007081 (Training Program in Population Studies). We are adding new publications to the list as we find them or as they are published. To report any publications not included in this bibliography, please contact us at hsbmidlife@prc.utexas.edu.
