

Summer Jobs, Internships & Field Experiences

Join the North Star Staff

Are you looking for a job, paid internship or field experience where you can make a difference? Spend your summer working with kids in the outdoors at camp. Working at a camp not only looks great on a resume, but it's a fun and rewarding way to spend your summer!

Positions include:

Summer Nurse

We're looking for a current registered nurse or a graduating nursing student scheduled to take their boards at the start of the summer. This is a great job providing a nurse hands on experience working with kids. Help run our health center as our camp nurse!

We're also hiring cabin counselors, activity instructors, wilderness trip leaders and food service and other support staff members. All positions include competitive summer salary, food and board, certifications and travel reimbursement.

North Star Camp

Is a boys residential summer camp in the Northwoods of Wisconsin. For more information check out our website or email dan@northstarcamp.com
