### **Student Political Advocacy Network (SPAN) Liaison**

- Promotes member involvement in legislative activities and current legislative affairs concerning pharmacy
- Researches and drafts resolution proposals to be presented at the Mid-year Regional Meeting
- Prepares slides for meetings on recent legislative updates related to pharmacy
- Past events included: Resolutions preparations, Voter Registration, Day at the Dome, Leadership and advocacy symposium
- Expected to attend Mid-Year Regional Meeting and APhA Annual meeting and serve as the chapter delegate (only one SPAN Liaison needs to be in attendance).
- Note\* If this expectation is a significant problem for the chairs, a committee member may serve as chapter delegate in the chairs' place upon approval by Executive Committee
