Once in Parking Garage #1:
   Enter from 30th Street. Parking spaces reserved for the Breast Center are located on the first floor of Garage 1. The reserved spaces are labeled “Reserved for Breast Center.” However, you may park in any open space. Proceed across the bridge (Southwest corner of Garage 1, running parallel to 30th St.) into the Park St. David’s Professional Building. Take elevator from the second floor Park St. David’s to the first floor. Once exiting the elevator, take a right and continue down the hall to Suite 111, The Breast Center.
