

UTC Project Information – Cooperative Mobility for Competitive Megaregions (CM²)

Project Title	The Evolving Role of Metropolitan Planning Organizations on Intra and Inter-Regional Transportation, Land Use and Access Policies and Outcomes–Literature Review and Survey of MPO’s
University	University of Texas at Austin
Principal Investigator	Michael Oden
PI Contact Information	oden@austin.utexas.edu
Funding Source(s) and Amounts Provided (by each agency or organization)	U.S. Department of Transportation: \$1,890 University of Texas at Austin: \$945
Total Project Cost	\$ 2,835
Agency ID or Contract Number	UTDOT Grant number: 69A3551747135
Start and End Dates	9/1/2017 - 6/30/2019
Brief Description of Research Project	This proposal will focus on the role of Metropolitan Planning Organizations(MPOs)to extend the scale and scope of their regional planning efforts to more directly address land use planning and better, more equitable access to transportation, work, services and consumption activities.
Describe Implementation of Research Outcomes (or why not implemented)	Dr. Oden presented this research at the Urban Affairs Association Annual Conference in Toronto in April of 2018. His presentation was titled "Whither Regionalism: The Salience of Megaregional Geographies for Inter-Metropolitan Planning and Policy Making." He also published this research in the University of Texas at Austin
Impacts/Benefits of Implementation (actual, not anticipated)
