

1. **What are you currently working on? What have you been up to?**
  - a. Constitution.
  - b. Budget.
    - i. Fiscal year explained. Process explained about Senate side annual process; UT waiting for money process that must happen for disbursement (Tamara).
  - c. Coffee breaks.
    - i. Question about proceeds from the mug sales and what will be done with them?
  - d. Calendar task force.
  - e. Cultural continuity.
2. **Do you have meeting minutes? Can we see them?**
  - a. Distilled minutes or all the minutes? How do you distribute to the class? Email v. FB?
  - b. One student in attendance said 'I have no idea what you're doing, so I wouldn't even know what to come talk to you all about.'
3. **Having a pathway of knowing who to talk to about certain issues and perhaps understanding how to move an issue up the pipeline.**
  - a. As we improve communication with the student body, there will be better understanding of what we're doing, and there might be more desire/need to come bring topics to us.
  - b. Key here will be some definition or delineation of what would be appropriate to come to the senate with, or how someone should go about broaching an issue.
4. **Social committee question** comparing law, business, pharmacy schools. They have lots of events, and we don't.
  - a. Perhaps we need a way to look ahead and help plan a path to better socials?
  - b. Maybe having a sponsorship person/people to help get more funding to help with special events.
  - c. Next year getting more people on special events or morphing in into having social person to coordinate socials.
5. **Discussion about elections of new people and the timeline.**
  - a. Explained per the constitution.
  - b. Committees and their appointments and when people will turn over? Said that it will be decided → to be discussed and worked out as constitution finishes up.
