

INDIAN + COUNTRY  
**ECHO**

Peer Recovery  
Specialist ECHO

- **Receive up-to-date treatment recommendations and best practices from experts**
- **Learn through presenting case studies and participating in discussions**
- **Get advice from specialists and Peers across Indian Country**
- **Obtain free continuing education credits**

**The Peer Recovery ECHO Program is designed to educate Peer Specialists in the management and care of individuals with substance use disorders. This program offers Office Hours ECHO sessions where attendees can ask questions and connect with faculty and other peers. Sessions are open to all.**
