- Each discussion group **meets weekly** throughout the semester.
- These are not therapy groups but rather **opportunities for students to connect and engage** in authentic, respectful exploration of topics relevant to their experiences as queer, trans, Asian-American, women of color, and/or international students on UT's campus.
- Your privacy will be respected.
- **Interested students can drop in at any meeting.**
- Contact the group facilitators with questions or to receive reminder emails.
