

WORKGROUPS

ADVANCING THE EARLY PSYCHOSIS NETWORK IN TEXAS (EPINET-TX)

WORKING GROUP AIMS:

- Focus on a particular topic for quality improvement
- Identify 1-2 specific projects
- Explore important topics and ask questions
- Use data to learn
- Develop initiatives and projects to improve clinical services
- Connect with providers across all roles in EPINET-TX

Please make sure that you clear the time with your supervisor and join us for our first meetings!
