What We Heard in the Spring

• “No city bus stops close by, they are all 20 minutes away walking distance and it’s awful trying to walk in extreme heat, cold or storms.”
• “Village bus/small tram /small bus.”

• Requests for bikes/e-bikes and e-scooters
• Requests for Wi-Fi and access to community services

• Themes of accessibility, affordability, and safety
• “Affordability of transportation from bus stops to final destination.”
