

**Thursday, April 13, 2017**

**1:00pm to 2:30pm**

**At the Perry-Castañeda Library (PCL)  
Learning Lab 1, 2.370**

 The University of Texas at Austin  
University of Texas Libraries

The University of Texas Libraries Diversity Action Committee presents a panel of experts, discussing how they provide access to information, including disability access, open access to material, web accessibility, and post-custodial access. The panelists will also explore current challenges they face in providing access. The discussion will be followed by an audience question and answer session.
