

Congratulations, you're in the final semester of nursing school!

Memorial Hermann-Texas Medical Center (TMC) and Children's Memorial Hermann Hospitals (CMHH) are pleased to invite nursing students graduating in May 2019 to our Pre-Match Day Open House on Saturday, May 11, 2019.

The open house is an informal event featuring highlights from more than 110 years of outstanding patient care Memorial Hermann has provided to the Houston community. This event provides an opportunity for you to learn more about the acuity level of patients we care for, and the specialized clinical areas in which we practice.

Service line staff and nursing leadership teams from MH-TMC and CMHH will be on hand and ready to celebrate YOU, our future! Each service line will provide information to help you make an informed decision on the clinical unit you're interested in interviewing with, and help you find the best fit to start your nursing career.

Show your school spirit by wearing your school of nursing shirt or polo!
