

## Vance & Betty Lee Stickell Honors Student Internship Program: 2009 Interns

**Allison Anderson**  
**The University of Nevada, Reno**  
**Slingshot**

"Allison consistently earns the respect, admiration and affection of her peers with her intelligence, creativity and dependability. She is smart, engaging and dependable." - Bob Felton, University of Nevada, Reno

**Stephanie Foster**  
**Texas Tech University**  
**Leo Burnett**

"Stephanie exhibits great dedication to academic performance, but is also very proactive. She truly is passionate about advertising and goes above and beyond for all assignments." - Dr. Shannon L. Bichard, Texas Tech University

**Alyse Granier**  
**Spring Hill College**  
**Saatchi & Saatchi**

"Alyse is like a sponge, absorbing best practices from the industry. Let me state that unequivocally that I cannot recall [a good student] as exceptional as Alyse Granier." - Sharee L. Broussard, Spring Hill College

**Molly Grove**  
**Marshall University**  
**Slingshot**

"Molly came through the door as a freshman asking, 'What else can I do?' I have watched her become an accomplished designer and a poised and confident individual." - Janet Dooley, Marshall University

**Nicole Juneau**  
**The University of Texas at Austin**  
**MeidaVest**

"From semester to semester, project to project, across many different evaluation criteria, Ms. Juneau has proven to be driven, motivated, friendly, professional and positive." - Lisa Dobias, The University of Texas at Austin

**Ryan Martin**  
**Penn State**  
**McCann-Erickson**

"Ryan is a rare student with a clear career focus, and tremendous ambition. I see Ryan the traits and proficiencies I always say in our young, successful account people. Ryan demonstrates the ability, focus, drive and passion for the business." - Kenneth E. Yednock, Penn State

**Keanna Moy**  
**University of Idaho**  
**Eleven**

"Keanna is extremely bright. Every once in a while I encounter a rare student that I call the "whole package" both the creative talent and the media and management talent in one person. That is Keanna." - Mark Secrist, University of Idaho

**Mallory Noelke**  
**Drury University**  
**Los Angeles Times**

Ms. Noelke's work in the classroom always shows intelligence, creativity and motivation. She demonstrates strong leadership skills while gaining experience with governance, fund raising, promotional planning and media sales." - Ron Schie, Drury University

**Cynthia Panganiban**  
**University of Illinois at Urbana-Champaign**  
**BBDO New York**

"Cynthia is everything the advertising industry wants and needs. She is always willing to lend a hand and help out whenever, wherever. She really does set the bar when it comes to attitude, intellectual curiosity and teamwork." - Steven Hall, University of Illinois at Urbana-Champaign

**Megan Paynter**  
**Ohio University**  
**Grow Marketing**

"Megan is bright and highly motivated. Today's advertising students should be able to provide leadership when it is needed, while also playing the role of productive team member. Megan has demonstrated outstanding abilities in both." - Craig Davis, Ohio University

**Brock Pisciotta**  
**Emerson College**  
**EnviroMedia**

"Brock is thoughtful and analytical, and he demonstrates a maturity that is rare among his peers. His dedication and commitment to the field is apparent, as well as contagious." - Douglas M. Quintal, Emerson College

**Erika Sturino**  
**University of South Carolina**  
**The RichardsGroup**

"Erika possesses unquenchable intellectual curiosity. Her curiosity is only rivaled by her passion, high energy and enthusiasm." - Karen Mallia, University of South Carolina

**Matt Williams**  
**The University of Alabama**  
**Venables Bell & Partners**

"Matt is unusually creative, intelligent and motivated. He has an appreciation for implicitly that makes his messages of persuasion both powerful and elegant." - Susan Daria, The University of Alabama
