

*Get it to-go and go green!*

The Eco2Go program allows you to take your meals to-go in a reusable container rather than using disposable plates.

### 3 REASONS WHY YOU SHOULD JOIN THE ECO2GO PROGRAM

*save at the register*

**1**

Members receive a 5% discount on their meals when they use an Eco2Go container.

*help green initiatives*

**2**

Using an Eco2Go container helps reduce UT's carbon footprint on the environment.

*take it on the go!*

**3**

Eco2Go containers keep your meals hot and securely covered whether you're on the go or just returning to your room.

### HOW DOES IT WORK?

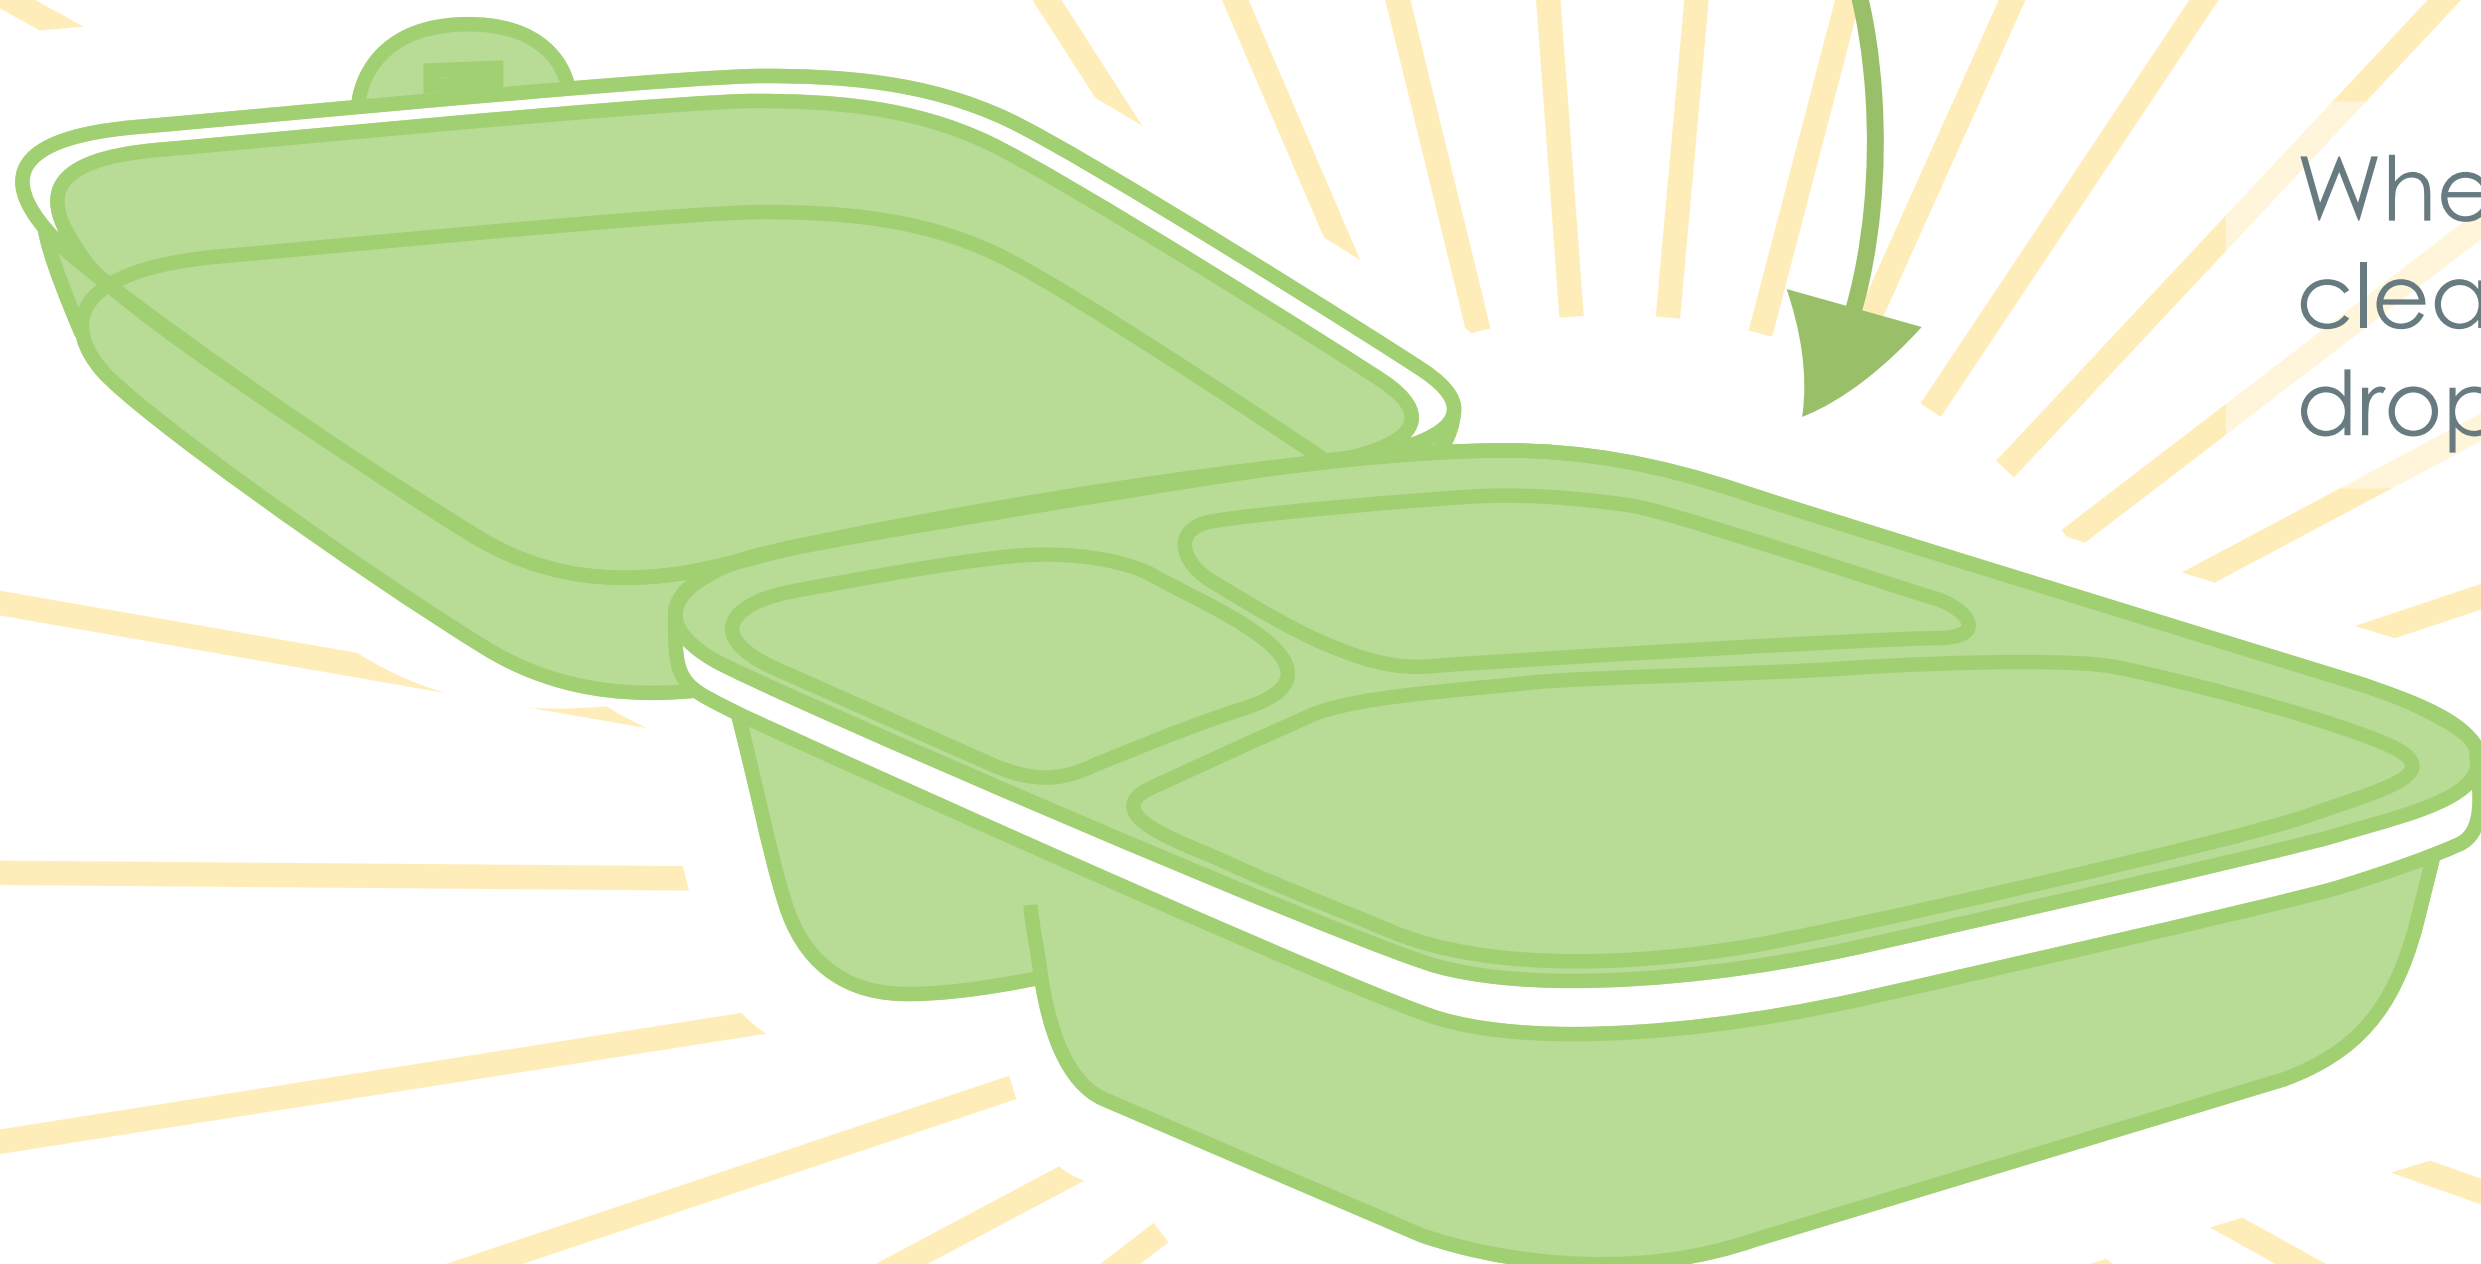

Start by purchasing an Eco2Go nickel from a cashier for \$5

Show this coin to your server and they'll serve your meal in an Eco2Go container

When you're done eating, clear out the container and drop it off at an Eco2Go station

The cashier will give you an Eco2Go nickel for your next meal!
