

Welcome to your Upgraded Portal!

Thanks to your thoughtful feedback, the Campus Liaison and District Lead Portals have been re-designed for ease of use.

Take a look to see what's new.

New menu

Located on the left, the new menu has been simplified to icons which now highlight the page you are on.

Continuing Education

On the Continuing Education page, you will find the required Campus Liaison training, the Behavior Management Series and an Educational Video Library.

Announcements!

Important Updates!

Announcements

There are two sections in which announcements are made. Regular and Important Updates. *Please check back regularly under the 'Announcements' and Important Updates' for TCHAT-related updates.*

Cancellation/No Show Policy

The demand for mental health care continues to rise and TCHAT is happy to partner with you and families to meet their needs. We appreciate your help and support in assuring families are able to attend all scheduled TCHAT appointments. We ask that if a TCHAT appointment needs to be cancelled, you contact us as soon as possible (preferably at least 24 hours before the appointment, so we can reschedule your student and offer that TCHAT appointment time to another student in need.

Note, if you need to cancel an appointment, there may be an extended wait time to be rescheduled as we are serving many families in need. We always call the session participants to join the session if they are not present at the start time of the appointment. If participants don't join the appointment or if the appointment is cancelled less than 24-hours away, the appointment is subject to our cancellation/no-show policy.

Registration Appointments

All other TCHAT Appointments

Cancellation/No Show Policy

On the home screen, below the 'Steps to Refer' section, you will find the DMS TCHAT Cancellation and No Show Policy.

Newsletters

CL Newsletters are sent out and contain important updates and information about TCHAT.
