

# TEXAS TRANSPORTATION

**GET TO KNOW OUR  
GUEST SPEAKER**

**RASHED T.  
ISLAM, P.E.**

**SENIOR VICE PRESIDENT AT  
HDR ENGINEERING, INC.**

Rashed has been a key figure in the local transportation industry, providing strategic leadership and spearheading innovative projects throughout his long engineering career. Join us as he shares insights from his journey, including his work on groundbreaking projects in Central Texas, such as diverging diamond and continuous-flow interchanges. Rashed will also provide valuable tips on building a successful career in transportation. He will share tidbits on transportation consulting, engineering design, enlightening us on the many aspects of a transportation career professional as they move from an entry-level engineer/planner to a seasoned technical and market leader. For those considering a career in the industry, here's a great way to learn from one of us about what it is like in the industry, and how to make it in.

**WHEN:**

**April 3rd, 2024  
4:00pm - 5:00pm**

**LOCATION: ECJ 3.406**

**BEVERAGES & SNACKS  
PROVIDED!**
