

GET TO KNOW OUR GUEST SPEAKERS

JOSH PETERMAN

PRINCIPAL | DALLAS OFFICE

Josh is Fehr & Peers Dallas Office Leader. He participates in Fehr & Peers' Engineering Discipline Group and leads their ITS and Smart City Strategic Planning. He has over 17 years of experience managing the planning and design of transportation infrastructure including traffic signal systems, street, and intersection lighting, ITS, transit enhancements, striping and signing, as well as pedestrian and bicycle improvements. Josh completed his BS of Civil Engineering at UC Davis and his MS of Civil Engineering at UT Austin.

SPENCER REED

SENIOR ASSOCIATE | DALLAS OFFICE

Spencer has over 10 years of experience in transportation engineering and planning. His project and technical experience includes microsimulation modeling, traffic impact studies, travel demand modeling, parking analysis, conceptual design, and bicycle and pedestrian planning. His project work has covered various parts of the country and has included many unique and challenging projects such as sports stadiums, music festivals, military bases, airports, and border crossings. Spencer completed his BS of Civil Engineering at Cal Poly.

DISRUPTIVE TRENDS IN TRANSPORTATION *A CONVERSATION WITH FEHR & PEERS*

Join the Fehr & Peers Dallas staff and a few other students for small group conversations following our presentation at UT Austin ITE. We will be meeting at ECJ 2.358 in 30 minute blocks in hopes of learning more about your experience and interest, , sharing information about Fehr & Peers, and answering your questions. You can sign-up for a timeslot at the following link: <https://calendly.com/fehr-peers-hr-team/ut-austin-ite-small-group-discussions?month=2022-03>. Please feel free to reach out to Spencer Reed (s.reed@fehrandpeers.com) if you have any questions.

WHEN:
April 18th, 2022, 1:00pm - 2:00pm

LOCATION:
ECJ 3.110
