UTCS SUMMER CAMPS

UT Computer Science offers two free, one-week residential summer camps for high school juniors and seniors designed to dispel myths about computer science and intrigue campers with the potential of computing and the excitement of problem solving. Both camps offer a hands on experience in learning computer science through team-building activities, educational sessions, and recreation.

First Bytes Summer Camp: June 4 - 10, 2017

First Bytes Summer Camp is a camp program for high school girls.

Code Longhorn: June 11 - 17, 2017

Code Longhorn is a camp program for high school underrepresented populations.

You must be a Texas resident to apply for either camp.

APPLY BY MARCH 22!
