

声学深造单位-欧洲及其他篇

Denmark	Aalborg University-Department of Electronic Systems
	Technical University of Denmark (DTU)-Department of Electrical Engineering
France	Aix-Marseille University-Waves
	Le Mans University-Acoustics
	Sorbonne University
	University of Toulouse
United Kingdom	London South Bank University-Built Environment and Architecture
	University of Edinburgh-Acoustics and Audio Group
	University of Liverpool-Acoustics Research Unit
	University of Oxford-Department of Engineering Science
	University of Salford-Acoustics Research Centre
	University of Southampton-ISVR
	University of College London
	University of York
German	RWTH Aachen University-Institute of Technical Acoustics (ITA)
	Berlin technical university-Audio Communication Group
	Technical University Munich
	University of Oldenburg-Acoustics
Belgium	Catholic University of Louvain
	Ghent university
Netherlands	University of Groningen-Department of Otorhinolaryngology
	Technical University of Eindhoven
Finland	Aalto University
Sweden	Chalmers University of Technology
Norway	Norwegian University of Science and Technology
Croatia	University of Zagreb Faculty of Electrical Engineering and Computing- Electroacoustics
Australia	Curtin University-Centre for Marine Science & Technology
	Macquarie University-Linguistics
	The University of Adelaide-Acoustics Vibration and Control Group
Canada	Dalhousie University-Department of Oceanography
	McGill University-Music
	The University of British Columbia-Audiology and Speech Science
	University of Alberta-Linguistics
Surabaya	Institut Teknologi Sepuluh Nopember-Vibration and Acoustics Laboratory
Mexico	Instituto Politecnico Nacional
Ecuador	University De Las Americas-Sound and Acoustics Engineer
