

PLANNING WORK SHEET

| Zero Suicide Key Components: Possible Areas of Improvement: | |
|---|--|
| • Suicide Safe Care Policy | • Pathways to Care |
| • Workforce Competencies; Training | • Follow up Procedures |
| • Evidence-based Screening & Assessment | • Support Groups: Suicide Attempt/Suicide Loss Survivors |
| • Effective Interventions | • Role of Suicide Attempter/Suicide Loss Survivors in Organization |
| • Safety Planning; Lethal Means Restriction | • Post-vention; Attempt and Death Monitoring |

| Goal: <i>EXAMPLE: Implement CSSRS</i> | | | |
|--|---|--|---|
| <i>Implement CSSRS as the main suicide screening tool across the entire LMHA. Make sure everyone is trained to use CSSRS accurately.</i> | | | |
| Bench Marks: | | | |
| <i>40% trained by January 1st 2015; Used in crisis services by February 1, 2015; Used in eligibility unit by March1, 2015, etc.</i> | | | |
| Steps to reach goal: | | Who to complete? | Time/Date Completed? |
| 1 | <i>Research CSSRS – length of time it takes to administer, training requirements etc. Prepare summary to give to leadership.</i> | <i>Ms. Smith</i> | <i>Complete within 2 weeks, summary by October 20th.</i> |
| 2 | <i>Get buy-in from leadership (identify who needs to know) to implement CSSRS across the site...Email/have meeting to discuss implementing CSSRS.</i> | <i>Mr. Jones – Contact key leadership within organization. Set up meeting.</i> | <i>Aim to have meeting in next 2 months.</i> |
| 3 | <i>Email all staff members (particularly intake staff) with new screening tool to use...instructions on CSSRS training...</i> | <i>Ms. Gold</i> | <i>Once leadership buy in has been successful, complete within 1 month.</i> |
